

FAASTeam presents:

Changes to Private & Commercial PTS (effective 6/1/12)

An overview of the changes to the Private & Commercial PTS presented by Jim Currier, a Designated Pilot Examiner (DPE) & FAASTeam Rep assigned to the San Jose FSDO. Other local DPEs and FAA representatives may also be in attendance.

Tasks incorporated in the Private Pilot PTS; emergency descents (PVT); Accelerated Stalls (COMM); Runway Intrusion Avoidance (PVT/COMM), and Single Pilot Resource Management a Human Factors Task incorporated into both Practical Test Standards that is a skill set applied to all tasks.

1. What are the changes to the private & commercial PTS?
2. What's new that needs to be taught?
3. How will the new changes be incorporated into the checkrides?
4. Open Q&A

Directions: Located in the Skyway Building, next to the Hiller Aviation Museum. Parking and entrance behind building. Suite 215 is upstairs in the northwest corner.
